

## Fast Forward with Catalyst Awardees

Report from the ground: Snapshot of seven UCSF early stage researchers pushing boundaries in Therapeutics, Diagnostics, Devices and Digital Health - from building cutting edge behavioral mobile apps to testing the efficacy and safety of using an artificial protein in cancer

treatment. [Read now](#) | [Download PDF](#)

## Report Back: UCSF's Center for Healthcare Value (CHV)

### *Integrating Value into UCSF Training Programs*

As part of efforts to define, champion and integrate high-quality education in healthcare value throughout campus training programs, the [UCSF Center for Healthcare Value](#) gathered a diverse group of campus stakeholders on October 13, 2013. [Read now](#) | [Download PDF](#)

### *CHV Marks Success of Caring Wisely Initiative*

The success of *Caring Wisely* in collaboration with the UCSF Medical Center, was the focus of a November 12, 2013, event on the Parnassus

campus. Through projects such as the first phase of *Caring Wisely*, the CHV is working in partnership with delivery system leaders from the UCSF Medical Center to inspire and support front-line proposals that lower health care costs. [Read now](#) | [Download PDF](#)

## Maximizing Your UCSF Post-Doc Experience

UCSF post-doc scholar [Alexandra Folias](#), PhD, shares her thoughts on how CTSI resources and services could play a role in expanding post-doctoral development. [Read now](#) | [Download PDF](#)
