

7th Annual Clinical & Translational Science Institute Retreat | July 29, 2013
CTSI: Accelerating Research to Improve Health, 2016-2021

Agenda

- 12:00-12:30 Lunch & Discover CTSI
- 12:30-12:35 **Welcome & Setting the Stage**
Deborah Grady, CTSI Co-Director, and Mini Kahlon, CTSI Deputy Director & CIO
- 12:35-1:00 **2016-2021: Opportunities & Challenges**
Clay Johnston, CTSI Director
- 1:00-2:00 **How can CTSI leverage UCSF's strengths and the national Clinical & Translational Science Awards (CTSA) consortium to radically transform research?**
Tony Coles, CEO, Onyx Pharmaceuticals; Gary Firestein, Director, UC San Diego CTSI; Regis Kelly, Director, QB3; and Sharon Terry, CEO, Genetic Alliance, share perspectives on how UCSF and the CTSA consortium can innovate to accelerate research and improve health. Group discussion and Q&A moderated by Clay Johnston.
- 2:00-3:00 **Seeding the CTSI Proposal for 2016-2021**
*(All) Group discussion and improvement of 10 selected crowdsourced initiatives from "The Big Tent" Open Proposal Opportunity (Note: prizes will be awarded to the two groups submitting the most valuable proposal improvements!)
<http://open-proposals.ucsf.edu/bigtent>*
- 3:00-3:15 Break
- 3:15 -4:50 **CTSI Proposal for 2016-2021: UCSF Themes & Leadership Perspectives**
UCSF leaders address how initiatives submitted via "The Big Tent" align with and complement UCSF strategies; challenges and opportunities discussed with the larger audience. Panelists include Jeff Bluestone, John Featherstone, Joe Guglielmo, Sam Hawgood, David Vlahov, and Elizabeth Watkins. Moderated by Mini Kahlon.
- 4:50-5:00 **Closing & Next Steps**
Clay Johnston
- 5:00-6:00 Reception
