

## Your Quarterly Community Connection

[Elizabeth Boyd](#), PhD

### *Insights and Perspectives from CTSI Leaders*

Elizabeth Boyd shares her thoughts on the various roles she has at UCSF, including her work with CTSI's RKS program, and sheds light on the challenges and joys of her work:

*"The exciting thing about being the RKS program director is having the opportunity to look critically at how we enable or support clinical and translational research at UCSF, and then ask, how can we do it better?"...*

## New UCSF Cores Search Launched

CTSI collaborated with UCSF's Research Resource Program (RRP) to create an easy-to-use tool that significantly improves the discoverability of the campus' considerable resources. "We've made a big step forward in supporting investigators at UCSF," says [Julie Auger](#), executive director of RRP.
