SFHIP Adopted by City of SF

Mayor Ed Lee announced the alignment of three of the city's successful health collaboratives into one body, the San Francisco Health Improvement Partnership (SFHIP). Recognizing the original SFHIP, a project of CTSI's Community Engagement and Health Policy program, as a prototype of successful community engagement and collective impact principles, leaders of this new citywide

effort adopted the name. [Read story here](#) | [Download PDF](#)

UCSF Profiles Receives 2013 Sautter Award

Congratulations to CTSI's Virtual Home team, which was recognized for its work with UCSF Profiles, winner of the 2013 Gold Sautter Award for IT innovation across the UCs. UCSF Profiles broke traffic records with more than 74,000 visits in July (nearly 2,400 per day!), and is an increasingly vital tool for researchers and staff at UCSF.
