Clinical and Translational Science Institute (CTSI)

Recruitment Period

Open date: February 3, 2025

Last review date: March 4, 2025

Final date: April 1, 2025

This position is open until filled. Applications received after the review date will only be considered if the position has not yet been filled.

Description

CTSI

Faculty Director, Community Engagement

Clinical and Translational Science Institute

Scope of Work

Applications are sought from current UCSF Faculty (all schools) for the position of Faculty Director, Community Engagement (CE) of the Clinical and Translational Science Institute (CTSI). All academic ranks are encouraged to apply.

This is an internal UCSF search.

The Faculty Director is responsible for providing leadership, overall programmatic direction, and vision for the CTSI's Community Engagement Program. The Faculty Director works with faculty, staff, the CTSI Community Advisory Board (CAB), and other advisory bodies and vested parties to develop resources, tools, and infrastructure for UCSF study teams and community partners to support respectful, bi-directional community-engaged research. The CE Faculty Director engages with community partners from around the Bay Area to design initiatives that support successful community-academic partnerships.

The Faculty Director, CE reports to reports to MPI Tung Nguyen, with a collaborative reporting relationship to the CTSI Director, Vanessa Jacoby.

This is a part time 15% (up to NIH Cap) position.

The specific priorities of the Faculty Director will be determined by the incumbent in collaboration with the CTSI Director and staff leadership. General responsibilities will include:

- Participating as key personnel on the NIH Clinical Translational Science Awards grant, including regular engagement with CTSI leadership and institutional and community partners in the development, direction, and evaluation of the CE Program and overall CTSI activities.
- Working closely with the CE Program's Associate Director, the Faculty Director for community-based clinic and health system engagement, program staff, and the CTSI CAB to guide program activities, including attending monthly CTSI leadership meetings, quarterly collaborative CTSI program meetings, and bi-monthly CE Program team meetings.
- Co-leading, with the Associate Director, the CE team which includes several full-time and part-time staff and part-time faculty.
- Coordinating the work of the CE Program with the activities of other CTSI programs and other units to synergize efforts and activities.
- Working closely with CTSI administrative leadership and CE Associate Director to manage the program budget.
- Enhancing current CE programs and services, such as consultations, and developing new

initiatives in response to the needs of the UCSF research and broader community.

- Working with the CTSI evaluation team to identify and track appropriate metrics for ongoing assessment and reporting of CE accomplishments.
- Developing additional priorities and activities as needed in collaboration with the CTSI Director and CTSI Multiple PIs, the CTSI CAB, the Associate Director, additional CTSI programs, staff, and community partners.

Criteria for appointment:

- Assistant, Associate or Full Professor rank.
- Ladder Rank, In Residence, Clinical X, Health Sciences Clinical or Adjunctseries appointment.
- DNP, PhD, MD, DO, DDS, Pharm D, DPTSc, DSc, or equivalent.
- Track record of success in developing and sustaining bi-directional community-academic research partnerships.
- Track record of working collaboratively with faculty, staff, and community partners.
- Experience with shared leadership (preferred).
- Training in or experience with community-based participatory research (CBPR), health equity and/or anti-racism frameworks and methodologies.

As a University employee, you will be required to comply with all applicable University policies and/or collective bargaining agreements, as may be amended from time to time. Federal, state, or local government directives may impose additional requirements.

UCSF seeks candidates whose experience, teaching, research, and community service has prepared them to contribute to our commitment to diversity and excellence. The University of California is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age or protected veteran status.
