### *Insights and Perspectives from CTSI Leaders*

While putting the finishing touches on CTSI's Annual Progress Report (APR), Fabrice Beretta took a few minutes to talk about his work and the importance of creating metrics and processes for measuring success and impact.

*Q: What's your vision for PET a few years down the road?*

*A: The vision for this group is to develop superior processes, technologies, and the skillset needed to support the Institute's and UCSF's goals...*
