

Well-deserved Recognition for Exceptional Service

[Sally Mead](#), Chief Administrative Officer and board member at CTSI, has served UCSF for 18+ years. This month, she was awarded the Holly Smith Award for Exceptional Service to the UCSF School of Medicine. Learn more about Sally in this month's [CTSI Spotlight](#).

"It is a great honor, and I feel humbled by it. There are many talented and hard-working employees within the School of Medicine, all of whom have made huge contributions over time to UCSF's mission."

SF HIP Creates Innovative Model for Community Health

Can a multi-stakeholder coalition achieve measurable community health outcomes? San Francisco Health Improvement Partnerships (SF HIP) is proving that the answer is "yes." Around 150 community, civic, academic and private champions of community health gathered at SF HIP's "Aligning Assets" event to celebrate its initial successes and set a course for the future.
