News from CTSI at UCSF
Accelerating Research to Improve Health

Improving Ideas Together With UCSF Open Proposals

CTSI created UCSF Open Proposals as a way to rethink proposal development and team building. Campus leaders share their successes with the crowdsourcing platform, which is gaining wider adoption at UCSF and beyond. Read more | **New: UCSF Open Proposals Infographic**

Initiative Focuses on Teaching Healthcare Value

As part of the effort to promote teaching healthcare value at UCSF and beyond, the Center for Healthcare Value (CHV) convened education innovators from across campus for a half-day retreat at the UCSF Library. Read more

Crowdsourcing the CTSA Innovation Mission

Mini Kahlon, PhD, CTSI Executive Director, Leslie Yuan, MPH, & Oksana Gologorskaya, MSc, publish on UCSF Open Proposals in the April 2014 issue of *Clinical and Translational Science.* Read the full article

Teaching Translation

CTSI's Catalyst Awards program, along with other universities' efforts to teach translation, were recently featured in Nature's *Science-Business Exchange.* Read more
