

## CTSI-Supported Event Highlights the Value of Clinical Research

[Bill Balke](#), director of CTSI's Clinical Research Services program, opened the AWARE for ALL Clinical Research Education Day in San Francisco with a presentation on "[What Clinical Research Means to You.](#)"

Although 94% of Americans understand the importance of taking part in clinical research to advance medical science, three in four adults have little to no knowledge about how clinical research works or how to participate. [Read now](#) | [Download PDF 244 KB](#)

## SF HIP Convenes Diverse Partners to Tackle Local Health Problems

CTSI and an array of community, academic and civic collaborators are wrapping up the first year of an ambitious effort to build partnerships to enhance the well-being of San Francisco residents and eliminate health disparities. [Read now](#) | [Download PDF 37.7 KB](#)
